

Hi, I am sorry we have run and can not come. So below my preferred list of chair candidate:

1. Dr. Fabrizio Pinto my favorite.

- I think he has really good management and organization merits that is really important for future chair
- He is unusual guys and I like his ideas to connect physics and market.

2. Dr. Jose Goity

- he is famous particle physicists and really sound person
- will be able to teach a lot of new graduate classes in particle physics area

3. Dr. Mahbub Khandeker

4. Dr. Martoff
